METROPLEX TECHNOLOGY BUSINESS COUNCIL NAMES OPTIMAL CEO GURVENDRA SURI 2010 TECH TITAN CORPORATE CEO FINALIST

Gurvendra Suri is growing Optimal Solutions Integration Inc. by leaps and bounds, while other SAP solutions providers are tightening their purse strings and playing it safe. Suri has grown the company from 100 employees five years ago to more than 600 today. During that same period, he also increased annual revenue for the company from \$35 million to more than \$75 million. Since May 2008, Suri has added six senior-level executives to the company, executed strategic acquisitions and launched midsize company-specific solutions into the marketplace. Suri's leadership has made Optimal Solutions one of the largest pure-play provider of SAP solutions in North America.
